Battle Mountain Farm | 6917 Arno-Allisona Road, College Grove, TN 37046

June Dairy Month is right around the corner! Tennessee hosts one of the largest and unique celebrations in the Southeast. The ADA of TN, TN Farm Bureau and TN 4-H have partnered to sponsor the Tennessee June Dairy Month Kick-Off to showcase* the passion your 4-H youth have in promoting dairy products through local contests:

Poster Contest • Dairy Scrapbook Competition • 4-H Dairy Quiz Bowl

*The previous year's winners will be recognized.

We encourage you to attend and celebrate our industry with fellow dairy families and other agricultural leaders.

We are finalizing all the details of our kick-off event and in an effort of precaution we are going to limit the number of attendees to 130 and are requiring people to RSVP to attend. There will only be 6 people to a table and people must keep their mask on unless they are seated. Here are the other guidelines:

- Limited number of participants at each table to allow for social distancing.
- Food will be served instead of participants serving themselves.
- The lunch line will allow for spacing between individuals.
- Face masks are required until seated.
- Hand sanitizing stations will be provided.
- Agents will have attendees fill out a COVID screening questionnaire before attending and ask you please take your temperature at home before you attend.

We will open the side doors to the barn to provide more space between tables as well.

If you would rather attend the event VIRTUALLY, we have set up a ZOOM conference room. Note: Please **do not** RSVP if you plan to attend virtually:
